INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS THE INTERNET SOCIETY OF AUSTRALIA

We have audited the accompanying financial report of the Internet Society of Australia, which comprises the statement of financial position as at 30 June 2013 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the directors' declaration.

The responsibility of the Directors for the Financial Report

The directors of the company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, provided to the directors of the Internet Society of Australia on 30 June 2013, would be in the same terms if provided to the directors as at the date of this auditor's report.

Auditor's Opinion

In our opinion, the financial report

- a.) gives a true and fair view of the financial position of the Internet Society of Australia as of 30 June 2013, and of its financial performance and its cash flows for the year then ended.
- b.) Complies with Australian Accounting Standards – Reduced Disclosure Requirements and the Australian Accounting Standards (including Australian Accounting Interpretations) as described in Note 1 and the *Corporations Act 2001*.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013**

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Corporations Act 2001.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Accounting Policies

(a) Revenue

Grant revenue is recognised in the income statement when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the balance sheet as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Internet Society of Australia receives non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the balance sheet, with a corresponding amount of income recognised in the income statement.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue from the rendering of a service is recognised upon the delivery of the service.

Revenue is stated net of the amount of goods and services tax (GST).

(g) Employee Benefits

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to Balance Sheet date. Employee benefits expected to be settled within one year together with benefits arising from wages, salaries and annual leave which may be settled after one year, have been measured at the amounts expected to be paid when the liability is settled. Other employee benefits payable later than one year have been measured at the net present value.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

**INTERNET SOCIETY OF AUSTRALIA
(A Company Limited by Guarantee)**

ACN: 076 406 801

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013**

(h) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(i) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

Cash flows are presented in the Cash Flow Statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(j) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(m) Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

**INTERNET SOCIETY OF AUSTRALIA
(A Company Limited by Guarantee)**

ACN: 076 406 801

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013**

NOTE 2 CASH	2013	2012
Bendigo operating accounts	25,971	10,766
Term deposit	20,672	313
	<u>46,643</u>	<u>11,079</u>
NOTE 3 RECEIVABLES		
Trade debtors	-	310
GST receivables	1,092	841
	<u>1,092</u>	<u>1,151</u>
NOTE 4 OPERATING REVENUE		
Individual Membership fees	6,505	1,322
Organisational Membership fees	13,000	2,000
Donations/sponsorship	20,000	-
Events Income	6,363	-
Miscellaneous income	114	300
Interest received - bank	476	616
	<u>46,458</u>	<u>4,238</u>

Operating revenue in the previous year (FY2012) was significantly impacted by timing issues, where membership renewal invoices were dated 30 June 2011, and hence fell in the previous financial year, and events income was not finalised until after June 2012. Also a number of organisational members and sponsors chose not to renew their support for the Society.

DIRECTOR'S DECLARATION

- 1(a) The financial statements and notes to the accounts have been made out in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views).
- 1 (b) The financial statements and notes to the accounts are drawn up so as to give a true and fair view of the results and cash flows and financial position of the company for the financial year ended 30 June 2013.
- 2 In the opinion of the directors of the Internet Society of Australia:
 - (a) at the date of this statement, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.
 - (b) the financial statements are drawn up in accordance with The Corporations Law including sections 296 and 297.

Dated at Sydney and Canberra..... this...3rd..... day of October..... 2013

Signed in accordance with a resolution of the directors:

.....
Director - Secretary

.....
Director – Hon. Treasurer
